The historic and picturesque village of Stansted Mountfitchet is situated 35miles north of London, three miles from the historic market town of Bishops Stortford and two miles from Stansted Airport. It benefits from a rail link to London Liverpool Street.

The close proximity of the village to Bishops Stortford has the added advantage of additional superb road and rail links. London Liverpool Street is 35 minutes away by Stansted Express and the M11 links in to the M25 junction 27 thereby giving easy access to all parts of the country.

Stansted has a choice of nursery, pre-school and primary schools and the Forest Hall High School, it also has an Adult Learning Centre offering a range of training courses.

For your leisure hours there are several interesting attractions in the village - a working windmill built in 1787 which is open to the public once a month, an open air museum where a visitor can travel back in time over 900 years and witness life in a medieval Motte and Bailey castle and the House on the Hill Toy Museum which the owners claim is the largest toy museum in the world, containing over 80,000 toys. Whilst Bishops Stortford has a multiplex cinema, swimming pool, bowling alley, theatre and art gallery, a gym, nightclubs, and many restaurants. There are also two historic houses to explore a little further afield, Hatfield House and Audley End and Paradise Wildlife Park in Broxbourne
